COME TO EDMONTON TO CURL

Bob Sharp left on Tuesday night's train for the Edmonton hospital. Bob is in the fourth party on the Grande Prairie train who are making a determined effort to bring glory to the north country. If they bring back the McDonald Brian trophy, Sexsmith will have a greater equity in it. More power to them.

ATTEND LA GLACE BONSPIEL

Last week a rink slipped by Fred McNaughton journeyed to La Glace to take part in the first ever bonspiel. The surroundings made the place pleasant by the kindness of A. W. Wilson, who loaned his covered wagon equipment to the curlers. The temperature between 30 and 40 below, made this stove a swell place of furniture.

John Walker, one of the pilgrims, feeling himself somewhat cramped, thought he would stretch his legs by walking, but when he did so, he was quite surprised that he had his right ear frozen. This was the only casualty on the outward trip. Jim Wilson presented a pair of new mitts on his arrival at La Glace by Carl Larson, which eliminated all chances of a repeat of the accident.

As to our games, we will draw a veil over this part, but wish to take this opportunity to thank the members of the Grande Prairie Curling Association, special mention being made of Mr. and Mrs. John A. Johnson, Mr. and Mrs. Oscar Anderson and Mr. Carl Larson, who so kindly helped us during our stay.

Best She Ever Used For COUGHS

No wonder Mrs. Whithersaw, Port Arthur, Ont., says Buckley's Mixture (triple action) is the best cold medicine she ever used. She writes: "Just this week I had a cold and caught a very severe cold. I gave it Buckley's and it cleared up in a jiffy. I was so greatly impressed that he was up and about again so quickly that this is it. This is quite some relief that makes Buckley's the best cold medicine."

HILL TOP COUNTRY — The most stubborn racking quickly passes with Buckley's. You can have money when you buy Buckley's (triple action). You get it everywhere.

WAKE UP YOUR LIVER BILE —

And You'll Jump Out of Bed in the Morning Rarin' to go

The liver should pour out two pounds of bile every day. If this bile is not flowing freely, your food doesn't digest. You feel tired, you lack energy, you feel your stomach. You get constipated. Headache, toothache, earache, rheumatism, gout, and the world looks pink.

It's all the same. You feel tired always, at the cause. You need something that will clear the liver. You need something like Carter's Little Liver Pill to get these two pounds of bile flowing again. You can't "let 'em up" — Harmons and gentle, they may be, but they don't do the job. The job of natural health has to be cleaned or mercury in the system. You can't "let 'em up" — Harmons! Stubbornly refuse anything else. The

home since taking on the job of teaching the young men how to shoot.

WHITBURN NEWS

FAREWELL PARTY GIVEN THE JAMISON BOYS

WHITBURN, Feb. 4.—The people from the communities of Whitburn and Blueberry gathered in the Whitburn Community Hall on Saturday, January 29, to bid farewell to Albert and Sidney Jamison, who are going to Toronto, Ontario, on February 2. The Jamisons have been here since 1937 and have taken a keen interest in all community affairs, especially in supplying music for both communities but also for their good neighborhood and friends.

The Jamisons were presented with a purse and a Rolls brush cutter, each, to remind them once a week of the work they did here. They were most grateful to be able to take with them the good wishes of so many friends, with whom they had a happy and successful stay here.

The ceremony was followed by a dinner at the Whitburn Hotel.

After the presentation was made both boys spoke of the fact treatment they had received here, always being treated both at Whitburn and our good neighbors at Blueberry Mountain, but as they had been here so long, they had given a great deal of time to a good cause for a time.

They were most grateful to be able to take with them the good wishes of so many friends, with whom they had a happy and successful stay here.

The gathering closed with every one wishing them the very best of everything in their home.

The absence of freighting has been noticeable as the past week owing to cold weather. One man reports an ear frost. Another says his radio battery is dead. Be it's hope for a change of weather soon.

Did someone say the Whitburn Baseball Club was putting on a dance this Saturday? If so, it's time to get out. Does anyone know who is Sultan of the Swat? Come on, boys, spring is just around the corner.

SEEN AND HEARD AT DANCE

George Midura tripping the light fantastic and later headlining it was the first time he had ever done this.

Mr. and Mrs. Carter's partner could be convinced of this.

Come out again, George, and bring the boys. Gillespie and Walker with the boys too. Doubtless the rebels can take Madrid. Ha-ha.

PIPESTONE CREEK

A TRUE WOLF STORY

PIPESTONE CREEK, Feb. 9.—Last November a wolf was captured near the Cuthbank River, Baptiste Kenny lost a valuable dog one for which he had refused forty dollars. At the time he had a number of traps, flour, axes, canvas and sugar that was just as valuable as the dog. A heavy snow fell the following night and the dog was lost. Kenny was able to find any trace of the dog, whose mother was a purebred police dog and the father a husky.

The dog was captured in a trap place a week ago when Henry McCullough on his trap line near Nose Mountain sighted a pair of night wolves. When he followed the pack and one a little smaller than the rest, stopped, looked in his direction and started towards him. The dog was too frightened to resist an attack. The animal came closer, to be recognized as B. Kenny's dog. When called he advanced and performed his usual tricks. After a short period after which he followed the trappers back to Pipestone Creek, where he was handed over to his dead owners.

GOING IN FOR BETTER FARMING

No more straw hauling next winter is today's motto on the lips of every agriculturist the West. Underlying this is a simple idea: better farming and more of it, and it is predicted that the greater part of 1,500 new tractors will be in use by the spring. There is already a slight increase in the number of horses available for spring work, as owing to the fact that many horses have been able to procure the feed.

Good news is seen in the fact that some settlers are returning with machinery and equipment and have rented out that will produce good crops.

Among those coming from Saskatchewan in the spring is Mr. Edin, who will be bringing a tractor, threshing outfit, and tractor machinery. He will be joined by Mr. John Rutledge, who is at present in the district getting out logs stating that if he is not able to be here in time to put in his crops, he will have to fallow some forty acres which he has broken.

And this all means that there is going to be some grain and livestock produced that will help towards paying taxes. Thus may the Department of Public Works be congratulated that expenditures in the past have been worthwhile, and may we hope that they may continue to improve and build roads to facilitate the

transportation of grain and other products.

Rudolph Lemky is hard at it with Mr. Rutledge in the green timber.

Mr. Gorow has secured a logging contract.

Mr. McCullough is helping a big government contractor.

The government bacon-type bacon advertised last week will not be here until February 17.

ICE A GOOD THING TO HAVE

NEXT SUMMER

The store wishes to announce that preference will be given to those with a good supply of ice when purchasing butter. Butter with a good supply means a better price for those who are energetic enough to put up ice, and an assurance of a good supply to those who are not. A letter has been sent to the Grande Prairie Creamery for them to know how to put up ice and to be given a good price for their contribution. The big job generally is to get hold of an ice saw. Regular customers are assured of every consideration.

Later there will be definite news about cream shipping, which many will like to take advantage of next summer. Heat again is indispensable. The store will be improving the refrigerator this winter to take care of cream that customers wish to bring overnight.

Despite the difference in size the store makes less noise than the turkey in walking.

KHAVE you realized that Easter is very early this year, and that Spring is just around the corner? Now is the time to plan your Spring wardrobe, when you have a few moments to think out all the little details.

Perhaps you have started already and are wondering what is going to be like. What the new styles will be like, what the most popular fabrics for coats and dresses are? If prints are good as ever? What the new colors are? If the hats are worn forward or back off the face?

These and any other fashion problems that you might have may be easily solved by consulting the Eaton's Foot Stylist Service, EATON'S Mail Order, Winnipeg, where personal attention is given to any enquiry regarding style.

Kindly remember that this is not a shopping service.

Funeral of Alfred Wales, Glen Leslie, Held Wednesday

Was One Of The Early Pioneers Of The East End District And Took Deep Interest in the Development Of The East End.

The funeral of Alfred Wales (75), one of the early pioneers in the Glen Leslie district, was held on Wednesday afternoon, services being held in the church of the United Church, Rev. R. H. Hunt of Gladstone officiating.

The church was filled with old friends with whom he had lived for so many years. Interest in the development of the country was in the making. In the development of the East End he took a deep interest and was always willing to use his helping hand in all worthy causes.

Born in Huron County, Ontario, near Milton, Mr. Wales came to the then Leaside district in 1890, making the trip over the Edson Trail.

He was a very competent farmer and his advice was often sought and freely given.

The following is a letter to mourn: Wife, one son and four daughters—Ross, living at home; Mrs. Alf. Moon, Glen Leslie; Mrs. Wm. W. Kisko, 1118—Mrs. E. Lewis, Coquitlam; Mrs. Murdoch Parkinson, Rochester, Washington; Four brothers—Wm. Moon, Mr. Alf. Moon, Edward, Portage la Prairie; William, Chicago; Alex. Toronto.

Interment took place in the Glen Leslie cemetery. Services were conducted by Mr. and Mrs. Ed Leslie, Mrs. E. Lewis, Mrs. D. Moon, Mrs. Ed Leslie, Mrs. D. Moon, Mrs. Norman Moon and Arnold Christie.

J. B. Oliver had charge of funeral arrangements.

Mr. and Mrs. Mr. and Mrs. Norman Moon; Alf. Moon and family; Mr. and Mrs. Jess Harpe; Mrs. Moon and family; the Dorschell family; Mr. and Mrs. A. Moon; Mother, Anna Ross and family; and Mr. and Mrs. Kisko and Mrs. Ed Leslie and family; Eva, Washington, Oregon; Mr. and Mrs. Earl Bates; Oldtimers' Association; Anna, Chuck, Jack and Janet.

Apple (really Marjorie Gutierrez), should keep the audience in good humor. Then, there are the "Babes" of the season, the dramatic and dignified Louise; and the very shy and demure little Sadie (Jean Smart) and Helen (Doris) (both from the Mattilda) and has a great deal of amusement over Sally's improprieties. Dorcas Sharpe is a droll little "Mollie" and the Dorschells are equally interesting when she recites her poems for the other girls. Mildred Henning as Frances, and Flora Taylor as the mother of the principal characters. The costumes are colorful and varied. There are twelve different scenes, some solos and duets and most of the performances are by a group of about twenty girls.

The play, "Bimbo, the Pirate," by Boot Tarkington will be presented by an amateur troupe of High School students. It is colorful, myth-provoking play of unusual merit; entertaining with its interest well-sustained, while holding the interest well-sustained. Moreover, it is a good clean production, worthy of the time and effort of the students who have been working so faithfully these last few weeks.

The commander of the pirate ship, "Capo," is played by Stan Foster, as a swash-buckling, pirate captain who demonstrates some rules and customs of the sea to the girls, and, of course, to say the least, "No one is more surprised than fearless young "Robert," played by Tom Ross, and the girls, who have been taken from a captured merchant vessel and held on the pirate ship, as prisoners. They know nothing of their true names, as he refuses manfully to reveal it to the villainous pirates. Another captive is Lydia's

father, "Mr. Driscoll" (Harry Newton), a gruff, leering, swash-buckling, out-and-about-and angry, first at one thing and then at another, proves himself quite a handful, even for the burly-looking captain, "Capo," (John Ernest Anderson). Other pirates are Charlie Stojan and Junius Aiken, students understanding the parts are Steve Stoffler, Max Stiles, Bill Russ, and Jim Eastercrook.

"Bimbo, the Pirate," will be the next of the Grande Prairie High School to the dramatic section of the Musical Festival in May.

Mrs. Mel Fowler and Mrs. Falocar are directing the play and Mrs. J. M. Smart is directing the girls' operations. Mrs. Stoffler, Max Stiles, Bill Russ, and Jim Eastercrook.

Canon R. J. Pierce For W.I. Reviews "White Banners"

In Which The Author's Purpose Seems To Be To Suggest That Meekness Will Finally Win Out

The Grande Prairie Women's Institute met at the home of Mrs. L. Kovensky on Thursday evening, February 4. Mrs. W. Sharp presided. The various committees and a donation made to the school board for milk. Roll call was made and given some words with the book.

A suggestion to enter more handicrafts at the handicraft exhibit was made.

Mr. Canon R. J. Pierce, B.A., L.Th., pastor of Christ Church, Grande Prairie, then gave a most comprehensive and interesting report on the various books, "White Banners" by Lloyd Douglas. Hung together on a very thin thread, these books make up a book with a certain philosophy of living or private valor. The purpose of the author seems to be to suggest the "Christian" philosophy of non-resistance practiced by the main character, Hannah, that if you turn the other cheek and refuse to fight back, you will be rewarded.

He apparently believes that "the meek shall inherit the earth." How wonderful it would be if nations could be the meek in this way.

Mrs. Sharp moved a hearty vote of thanks to Canon Pierce for his most valuable talk.

Miss Olive Kovensky played a delightful piano and sang a solo.
